Figtree Cafe

**HEALTHY FAMILIES
HEALTHY COMMUNITY**

Figtree Cafe is a project of Pitt Town Anglican Community Church and is run by volunteers. This service is an initiative of the Healthy Families, Healthy Community project, whose aims are to support the community by building strong and independent families and individuals. This café seeks to provide a scenic and relaxing atmosphere for the community to enjoy. It is a place where people can meet, build friendships and join in community activities.

All prices are considered donations to cover the cost of running the community service.

Our food is not microwaved and our coffee is not instant, we cook everything fresh for you as you order. Please have patience with us as we cook your food and make your coffee - the old fashioned way - the way it should be!

If you want to know more about what else we do, ask one of our team members!

A great word from our God,
"For life is more than food and the body more than clothing..."

Luke 12:23
